

## **Danwood supports Radio City Cash for Kids**

*Thursday 18<sup>th</sup> March 2010* - Danwood, Europe's largest independent supplier of document management solutions and office printing equipment, on Thursday 11<sup>th</sup> March officially opened its new sales office in Liverpool's Il Palazzo, 7 Water Street.

The company was pleased to welcome the Leader of Liverpool City Council, Warren Bradley to its networking evening held at the beautifully refurbished Il Palazzo building where Mr Bradley officially welcomed Danwood to the city.

As part of the evening Danwood raised money for the charity Radio City's Cash for Kids through a silent auction. The company will also be donating a percentage of its sales in Liverpool to the charity over the coming year. During the evening Danwood donated an MFD (a multifunctional device which is able to print, copy, scan, and fax) to the charity.

Carole Clare the Charity Manager who received the MFD on behalf of Radio City's Cash for Kids commented

"We are pleased that we will enable another charity to benefit from Danwood's donation of the equipment. All the funds raised by Cash for Kids are distributed to the community via grants to children's charities and organisations in Liverpool The North West and North Wales. We are also very grateful to Danwood and their guests for the money raised during the evening which will go to helping improve the lives of disadvantaged children in Liverpool. We wish Danwood every success in Liverpool."

### **About Cash for Kids**

Cash For Kids is part of the Radio City Charity Foundation (registered Charity number 1038060). Monies are raised to improve the quality of childrens lives in our local area. Cash For Kids distributes funds raised via grants to children's charities in the Liverpool & surrounding areas.

There are THREE BASIC RULES:

1. Cash For Kids may only distribute money to or through a registered charity.
2. Projects must be for the benefit of children/young people under the age of 18.

3. Children benefiting from the grant should live in the Radio City 96.7, City Talk 105.9 or Magic 1548 broadcasting area (Merseyside, North West and North Wales) or their parents should live in the area.
